Dear Hubert Taube:

Thank you for your recent letter offering your congratulations and best wishes on my appointment as Minister of Environment and Protected Areas.

As Minister, I have been entrusted to protect and steward Alberta's resources. I will work to achieve our province's environmental goals and ensure our resources are developed using innovative and responsible approaches that protect our environment and ensure a strong, vibrant economy for generations to come.

As we move forward, I know we can count on the valuable contributions of our partners to help meet these goals.

Thank you again for your kind words.

Sincerely,
